

Khairul Umam

SUMMARY

Accomplished Glints Academy as a Backend Developer and has more than 1-year of working experience in the airports' industry. Skilled in Javascript (Node-Js, express-Js, React-Js), PHP (Codeinigter, Laravel), Java, SASS, SQL and passionate in providing tech products that the society needs. Seek an opportunity to help a company to develop their product as a Backend, Frontend, or Fullstack Developer, as well as grow and develop my own skills as a coder.
